

BIRCHFIELD

Friends of Birchfield Harriers

Be part of our success

Support our athletes and our club to achieve Olympic success by becoming a Friend of Birchfield Harriers.

Being a full time athlete does not come cheap. Most of our athletes are not funded and therefore rely on part time jobs to finance their training and medical costs. With your help their Olympic dreams can become a reality and you can follow their progress over the next three years.

All our Friends will receive a newsletter twice a year updating them on the progress of the athletes that are being supported. You will also have the opportunity to meet them at a Friends of Birchfield Harriers evening.

Becoming a Friend of Birchfield Harriers is easy. Just complete the form on the reverse of this leaflet and send it back to us with a cheque for £20 (made payable to Birchfield Harriers).
