Dear Parent/Athlete

We are looking forward to another successful year in the Young Athletes League which will begin again on 2 May. Please could you complete the attached form and return it to Nick or Cath by 1 April 2010. Teams for the first fixture will be selected on 21st April following the Tipton Games Birchfield Open and letters will be handed out on Thursday 22 April 2010.

Please can you ensure that you let us know if you improve your performance in any open meetings during the course of the season so we are able to make our selections based on your performance as it improves.

Following the first match selection will be made (where possible) 2 weeks prior to the match and we will endeavour to give as many people as possible an opportunity to compete in the team in the first four league matches. Regional and National final will be based on performance and the team manager's decision will be final.
