

London Marathon Club Entries

Every year the Club¹ applies for guaranteed entries to the London Marathon. Normally we receive 5 entries although this is not a definite number.

Applications for one of the Club entries are invited from any member who has been "Rejected" through the normal entry process provided they meet the requirements listed below: -

- 1. The date of entry² to the Club must be on or before the 1st April prior to the rejection date.***
- 2. The ORIGINAL rejection letter from the London Marathon bearing your name and address must accompany your application.***
- 3. A short statement in not more than 100 words, explaining how you have represented the Club in competition events during the preceding 12 month period. Marshalling of events will also be taken into consideration.***

Please submit your application to the Vice Chair Road Running or to one of the regular attendees to the Road Runners Consultative Group. Alternatively, hand in to the steward behind the Bar who will then pass on to the correct person. Please look out for dates on the website and Notice Boards.

All applicants will be considered by the Road Runners Group (by those not directly involved in running the London Marathon or are themselves an applicant).

The decision of this Road Runners Group will be final and there will be no appeals process.

The guaranteed entries are awarded in recognition of the support the applicants have given the Club over the previous year or since joining.
